**CHURCHES OF CHRIST, SCIENTIST**  
"Adam and Fallen Man" was the subject of the Lesson-Sermon Sunday, May 12, in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text was from Romans: "They which are the children of the flesh; these are not the children of God; but the children of the promise are counted for the seed."

The Lesson-Sermon included citations from the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Among the Scriptural verses were the following words of Paul: "For as in Adam all die, even so in Christ shall all be made alive" and "Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage."

The following words of Mrs. Eddy were among the Science and Health passages: "Anybody who is able to perceive the incongruity between God's idea and poor humanity, ought to be able to discern the distinction (made by Christian Science) between God's man, made in His image and the sinning race of Adam; and "Citizens of the world, accept the glorious liberty of the children of God, and be free!"
